Happenings of Interest from Different Sections.

Ice in Burlington this season will be 80 cents per hundred pounds. Last year the price delivered was 75 cents per hundred. Even at the increased rate, the city has only one-half the usual amount stored.

The Congregational church at Sharon, without a pastor for nearly six months, has extended a call to Rev. Hugh Penney, a student in the theological seminary at Bangor, Me., which he has accepted, and will begin his pastorate at the close of the seminary year, the middle of June. Mrs. Penney has been living at Holden, Me., but will accompany her husband here.

The civil service commission has announced that for the position of rural mail carrier in Swanton women who are unmarried or who are wives of soldiers or sailors serving in the present war are eligible.

At the time of last week's blizzard, a Stowe woman, Mrs. Riley, heard a bluebird singing in her house Sunday morning and found two in her sitting room stove, that had come down the chimney. One had died and its feathers were singed, but the other was all right.

Efford Stevens, Jr., who broke jail at Bennington some months ago by crawling through a ventilator shaft, escaped again last Sunday, that time walking out the back door. He was absent from the jail only about two hours, however, before he was caught and returned.

Thomas P. O'Donnell, lieutenant of detectives of Baltimore, Md., arrived in Burlington Monday and on his return will take with him Burton MacLane, who was arrested last week on request of the Baltimore authorities. The charge against MacLane is that he stole \$3,400 from a Baltimore woman. As the story goes, MacLane became acquainted with a wealthy widow, Mrs. H. J. Walker, and went through a marriage ceremony with her at a New York hotel, after which they traveled extensively and lived together as man and wife for more than a year. Two months ago MacLane proposed to her the purchase of a house and she handed over \$3,400 for the purpose. Soon after business called him to Washington, D. C., so he announced, and he never returned to her. After the matter had been put in the hands of the police, it was found that the marriage was illegal, no minister by the name of the man who claimed to marry them being found. Mrs. Walker did not see the marriage license, but said MacLane had some sort of a paper which he said was the license and she had no reason for disbelieving him then. The woman is 40 and MacLane is 45. He had been in Burlington for a few weeks, previously being employed in the construction work at the home for feeble minded at Brandon. He had very little money with him when arrested.

## HAVE COLOR IN CHEEKS

Be Better Looking—Take  
Olive Tablets

If your skin is yellow—complexion pallid—  
tongue coated—appetite poor—you have  
a bad taste in your mouth—a lazy, no-good  
feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute  
for cod liver oil—were prepared by Dr. Edwards  
after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely  
vegetable compound mixed with olive oil.  
You will know them by their olive color.

To have a clear, pink skin, bright eyes,  
no pimples, a feeling of buoyancy like  
childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the  
liver and bowels like cod liver oil—yet have  
no dangerous after effects.

They start the bile and overcome constipation.  
That's why millions of boxes are  
sold annually at 10c and 25c per box. All  
druggists. Take one or two nightly and  
note the pleasing results.

## Says He Can Tell a Man By the Way He Walks

There is an old expression: "You can  
tell by his walk." David B. Ash, of Bur-  
lington, Vt., who is one of the best  
known citizens believes in the above  
statement. He says: "I believe you can  
tell a man by the way he walks. When  
you see a man holding up his head and  
is stepping along briskly you know he's  
a business man and amounts to some-  
thing. I suffered for four years with  
pains in my feet, legs and joints and I  
used to shuffle along when I walked."  
"I finally heard of GOLDINE and  
thought I would try it. It certainly did  
wonders for me as it has taken the stiff-  
ness out of my legs and I now step along
